

Our second skin III

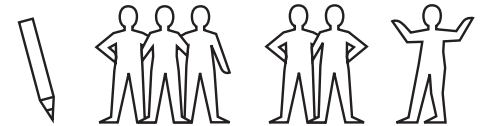

Create something new
from something old!

- ▷ Design an item of clothing or an accessory for yourself, using max. two upcycling materials; perhaps you might choose two materials that are in some way opposed to each other.
- ▷ Can you find a common motto?
- ▷ Present your creations on a catwalk.

Think about
fashion and sustainability!
Where can the diversity
and potential of (waste)
materials be found?

Upcycling materials (fabrics, packaging and filling material, bubble wrap, ribbons, cords), stapler, wire
